

ReSTART

Sustainable & Temporary Architectures
to ReSTART Together

INTERNATIONAL DESIGN WORKSHOP

6th – 15th September 2022
Almo Collegio Borromeo (Pavia, Italy)

Presentation

The International Design Workshop “ReSTART” is promoted by Almo Collegio Borromeo with the University of Pavia (Italy).

It is aimed at designing modular and temporary units with sustainable and inclusive solutions, able to improve the fruition and the use of green urban spaces and restart living together after the pandemic.

The proposals will be designed for Horti, the new park of Almo Collegio Borromeo, opened in 2022, which includes contemporary art exhibitions and cultural events, surrounded by nature and biodiversity.

The functions have to be related to the theme of *housing*. Short-period and temporary housing for tourists, artists working together, scholars to study nature, ect.

University Partners

Almo Collegio Borromeo and the University of Pavia (promoters) call to participate the THM Technische Hochschule Mittelhessen of Giessen (Germany) and the ETSAM Universidad Politécnica de Madrid (Spain).
